### Profile

Outstanding student with experience in music and performing arts seeks an opportunity to work or intern within the music industry before leaving to study abroad.

### Experience

#### Part-time Sales Associate, J-Crew Men's Shop, The Grove, Los Angeles, CA July- August 2016 (Post Senior Year)

Trained in retail through close observation and experience. Responsibilities included personal customer service to J-Crew customers, store upkeep, management of the fitting room, conducting inventory checks, general sales, register operation, and occasionally "closing up shop".

#### Volunteer, Koby Mandell Foundation, Northern Israel

##### Summer 2015 (Post Junior Year)

Summer camp for children of families who have been victims of terrorism. Responsibilities included 24 hour surveillance of young campers due to their PTSD and self-damaging tendencies, managing the campers schedule from wake-up to bed-time, precipitating in said activities, and planning for the next day until the late hours of the night. Worked on avg. 4 hours of sleep a night, and was required to learn and speak Hebrew full-time. Was the only counsellor to be formally invited back for a second session.

#### Teen Program Head Counsellor, The Community Shul, Los Angeles, CA 2014-2015 (Junior Year)

Managed and led the largest group within my local synagogue's child-care program. Conducted prayer services, group activities, sports, and storytelling.

#### Volunteer, One Family Fund, Jerusalem, Israel

##### July-August 2014 (Post Sophomore Year)

Only teenage volunteer due to the intensity of the job requirements. Visited mildly to severely wounded soldiers in hospital care, comforted families of the deceased, attended funeral services, distributed care-packages within danger zones, and supervised camp activities for child victims of terror. In-office work included composing biographies for deceased soldiers, general office support, and managing social media.
